RESOLUTION

Read: Letter received from the Government of Maharashtra in Medical Education & Drugs Department dated 24/4/2018.

Ref: Decision dated 19/3/2018 about multiple structure fees.

The Government considers it appropriate for the Institutions/Medical Colleges to collect fees with upper limit of four times the regular fees from the students admitted against Institutional/Management quota in Medical PG courses.

It is believed that the Government has legitimate reason and necessary data to suggest increase in the fee structure for Institutional/Management quota students. This Authority does not see any reason not to accede to the suggestion made by the Government.

Accordingly, Office to communicate above decision to the concerned and also place it on the website of this Authority .

Sub : Multiple fee structures for the students seeking admission against seats available for NRI and Institutional quotas in Unaided Private Professional Colleges imparting health science courses .

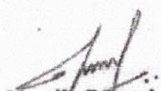

There is a practice of Private Professional Medical Colleges and other institutions charging fees in multiples of the regular fees approved by the Fees Regulating Authority from the students admitted against NRI / Institutional quotas. Issue has been discussed in depth and from all possible angles. Keeping in view the interests of managements and students community as a whole following decisions have been arrived at unanimously.

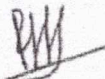

- 1) We do not see any legal hurdle in approving on going practice of institutions / colleges imparting health science courses, applying different fee structures for the students admitted against NRI and Institutional quotas.
- 2) As regards quantum of fee structures, we consider that maximum limit shall be 5 times and 3 times for the students admitted against NRI and Institutional quotas respectively. Provided that the institutions before start of admission process shall be required to declare its fee structures for respective quotas, discipline wise / course wise on its website as well as on the website of Director, Medical Education and Research, Mumbai and Fees Regulating Authority.
- 3) Fees collected from the institutions from the students of above categories shall be reflected in the statement of Income and Expenditure of the institution. The Fees Regulating Authority shall consider it appropriately while approving the fee structure of the next academic year relating to that institution and for the particular course.
