Category

Awareness

Categories

Awareness

- Make landmarks shine in bright green, such as the 'Light-up in Green' campaign in Japan.
- Distribute at your clinic, institution or public venue printed material, such as brochures and flyers, with information about glaucoma.
- Distribute a postcard that people and companies can send to their friends and customers, informing them of World Glaucoma Week and urging them to be vigilant about maintaining a healthy vision.
- Distribution of WGW marked items, such as pens, key chains, T-shirts, mugs.
- Encourage your co-workers to dress in green and share the (Zoom) photo with us!

Media coverage

- Contact a newspaper/magazine to write a story on WGW or publish an article or editorial that you have written.
- Contact a radio station or TV channel to cover the WGW.
- Social media campaign

Public educational

- Organize an educational meeting with health care professionals online, at your institution, or at a public venue such as a conference center, community hall, charity meeting, place of worship.
- Invite a prominent patient, or a patient support group, to share their experiences.
- Organize an open-door day at your clinic/institution.

Screening event

Organize a free screening day at your clinic/institution or a public venue, such as a mall, market, place of worship, town hall, community center.

Sporting activity

Organize a sporting event under the WGW colors, such as a walk, run, or cycling event. In 2021, get creative with individual sports challenges raising glaucoma awareness.

Video

Submit your glaucoma themed video to the WGW website for dissemination by the WGW. We welcome patient interviews, research, coverage of (previous) WGW activities, and much more.

We know there are some amazing activities taking place that cannot be put into a pre-defined category. We look forward to learning about your activity by selecting the 'Other' category.
