At the beginning of awareness program Dr.Hemalata Kore Gave information about Voter Awareness Campaign as well as importance of this awareness program. Then Mr. Saugandh Thorat Assistant Prof. ADAMC, Ashta.conduct awareness program regarding creating awareness for voter Enrolment among students. He promote all our Students to vote and make an informed decision during the elections .That was very informative program. Also we collect all the information about students Enrolled for voter id or have voters id from 1st ,2nd , 3rd , 4th BAMS.

At the end of the visit Dr. Hemalata Kore gave vote of thanks. To our Professors. For giving such useful information to our Students.

Outcome of event: In democracy, it is not simply enough to inform voters about election dates. In order to help the electorates take an informed decision, it is quintessential to sensitize them about the importance of participating in the electoral process. Moreover, voters need to be educated about the process and made aware of the political parties, their manifestos, backgrounds of the contesting candidates and armed with several other information to help them cast an 'enlightened' vote.
