# FEEDBACK ANALYSIS REPORT

## FEEDBACK FROM STUDENTS:

Institute collected feedback from our students personally with Google form. Institute designed a special feedback form on curriculum development. Institute collected feedback from students on “Faculty performance, subject review, infrastructure, overall development”. Institute started curriculum feedback from academic year 2013-14. Institute has collected feedback since 2017-18 which has been analysed & was approved by college council, Academic UG, PG & Ph D. This helps us to make a strategic plan to overcome the lacuna. We are presenting the current years feedback. The yearwise and coursewise analysis of student’s feedback on curriculum is presented below. Gap Analysis of last year feedback is taken into consideration for further development.

### Table No 1 :

#### Number of students who has given feedback.

Number of students who has given the feedback which is nearly 60 percent of students in the concern class.
