Year: 2022

Title of Event / Activity: - Educational Visit to Botanical Garden, Shivaji University, Kolhapur,

Date:- 12 October 2022

Duration: - 1 Day

Venue: - Botanical Garden, Shivaji University, Kolhapur

Objectives of event / activity:-

- To identify medicinal plants in their natural habitat.
- To demonstrate how to identify medicinal plants.

Description: - Event / Activity Report –

Educational Visit of dravyaguna department was arranged to Botanical Garden, Shivaji University, Kolhapur on 12 October 2022. Two vehicles were provided by the institute for the visit. Journey was started from A.D.A.M.C. Ashta at 10 a.m. Pharmacy visit was done during 11.30 to 1.00pm. After that we proceeded for the Botanical garden Visit. The garden visit started at around 1.20 pm. Students were divided in two groups. Botanist Mr. Shridhar explained about nomenclature, identification plant species. They showed variety of plants and explained characteristic of Acantheceae, Amarantheceae family etc. They showed the flowering of Century palm tree. It was a great opportunity to see the flowering of century palm because it undergoes flowering after 100 years of its life and after the flowering stage it dies. Students saw rare varieties like Noni plant, Mappia foetida showed and botanist explained the recent research and their uses. Their new distillation plant was shown to the students and its efficacy and research work was described. After the garden visit students visited to Botany Department.

After the visit all had Lunch at a restaurant. The visit was ended after reaching at A.D.A.M.C. Ashta campus at 5.30pm.

Total 94 students participated in the event. Four faculty members Dr. Sarika Kandharkar, Dr. Sarita gavade, Dr. Shraddha Shelake, Dr. Suraj Kundle accompanied the students.

Outcome of event:-

Students got knowledge regarding the identification of plants.

Students were introduced new plant species.
