Title of Project:

Pharmacovigilance study of Ayurvedic medicine in PG departments of Hon Shi Annasaheb Dange Ayurved Medical College --
A retrospective study

Chief Investigator: Dr. Dattatrya Nikam

Co investigator: Dr Mahesh P Inamdar

Research design: Retrospective Observational

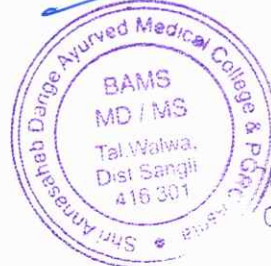

Study Period: Year 2022 - 2023

Data collection: All PG Dissertations in Kayachikitsa, Panchakarma, Balrog Departments of Hon Shi Annasaheb Dange Ayurved Medical College, Ashta Year 2022 - 2023

Observation and Results: 138 patients screened for ADR

Conclusion: This study was designed to observe any ADR during researches of PG students from Kayachikitsa, Panchakarma, Balrog departments Year 2022 – 2023 . No Adverse Drug Reactions were observed.
