Sub: Regarding Establishment of Institutional Pharmacovigilance centre for Ayurvedic Drugs in  
our Institute

Respected Sir,

As you know Pharmacovigilance is an important issue as application of drugs are concerned. In this regard we can establish a Institutional Pharmacovigilance centre in our Institute. The objective to establish such unit will be to monitor Ayurvedic medicines as used in everyday practice to identify previously unrecognized adverse effects and providing information to users to optimize safe and effective use of Ayurvedic medicines. So as per the Protocol for National Pharmacovigilance Programme for Ayurveda, Siddha And Unani (Asu) Drugs given by National Pharmacovigilance Resource Centre, Institute for Post Graduate Teaching & Research in Ayurveda, Gujarat Ayurved University, Jamnagar, Gujarat, we have to appoint following Pharmacovigilance Committee:

1. Coordinator
2. Investigator
3. Notifier
4. Reporter

So please give the permission and guide for the same.

Thanking you,

Yours faithfully,

Dr. Mahesh P Inamdar
